

Pastoral Transition

The Board of Directors....

...welcome Linda Gibeaux and Christine Molishas to the team that will be reviewing applications and speaking to applicants for our position of Provisional Pastor. We continue to work with Rev. Pressley Sutherland on developing information about our applicants, as well as working with the denomination to be sure we have the best qualified applicants for our position. We will work through the holidays to review materials, set up and hopefully even conduct initial interviews during this busy time of year.

We have received expressions of interest from two members of the congregation who would like to assist the Board in the discernment process. The Board will finalize the composition of the group prior to conducting any applicant interviews.

Please review the deck that was presented on 9/24/2017. It's on our website at:

All the transition-related materials are available on our website at:

The Board continues to seek your input as we work through the transition together. Please watch this spot in the newsletter for the latest developmental until the process is completed, so communication to the rest of the congregation will need to be limited in order to protect the confidentiality of the applicants.

As always, don't wait to be asked - feel free to reach out to any and all members of the Board to share your thoughts and ideas. And with your questions and comments as we go through this process together.

To understand better the role of a provisionments.

As always, you can address your questions or comments to any Board member:
