

## Pastoral Transition

### The Pastoral Transition Team....

...has agreed on our approach to discussions with our preferred choice for our Provisional Pastor position. Once the Holy Week activities are complete, we will be scheduling a discussion with our preferred choice to hopefully reach a quick agreement on terms and move to the next steps in our transition. Please keep those prayers of support going, for our congregation, for the success of the Transition Team, and for our prospective new Provisional Pastor!

Remember that once a candidate for Provisional Pastor position has been identified, and contract terms have been agreed between the Board and the candidate they will be invited to come to our community, meet with our congregation, and deliver a guest sermon. While there is no congregational vote required to "hire" a provisional pastor, the transition team will be looking for input from the congregation before making a final decision regarding the candidate. Please keep checking this newsletter for developments, and feel free to ask questions of your Transition Team. Remember that the Transition Team members are bound by confidentiality regarding the applicants, but we are all happy to discuss the process and receive your input.

As always, don't wait to be asked - feel free to reach out to any and all members of the Board/Team to share your thoughts and ideas.

The Board continues to seek your input as we work through the transition together. Please watch this spot in the newsletter for the latest developmental until the process is completed, so communication to the rest of the congregation will need to be limited in order to protect the confidentiality of the applicants.

To understand better the role of a provisionments.
